Morning N:

I sent an email to all the MCTAC members looking for signed resolutions. Not sure if I'll get any or not.

Thank you for all your research in the vault, Ann! It looks like the revisions to MCAB rules that renumbered rule 408 Source Recordkeeping and Emission Statement to rule 513 Source Recordkeeping and Emission Statement, took place around 1981. This chronology helps confirm what Earl and I talked about, which really helps. If either of you run across records that show the district adopted those rules on a particular date, that would be helpful - but not if it takes too much more of your time. Thanks, again. Hope the vault wasn't too dusty!
